

## **Fifth Meeting of “The International Confocal Working Group”**

InterContinental Miami Hotel

Chopin Ballroom

March 6th, 2010

### **17.30-17.50h. ADMINISTRATIVE AGENDA**

17.30- Introduction. *S. González*

17.30-17.40 "Training confocal microscopy" *G. Pellacani*

17.40-17.50 “World Registry of Confocal Centers, guidelines and new collaborative projects of the CWG”. *J. Malvey*

### **17.50-19.30 h. SCIENTIFIC AGENDA:**

#### **17:50-18:50 h. LECTURES SECTION (12 minutes each)**

##### **M. Ardigo**

“Confocal microscopy of hair diseases”

##### **M. Gill**

“Dysplastic nevi: correlation between reflectance confocal microscopic and histologic findings”

##### **V. Ahlgrim-Siess**

“RCM of facial lentigo maligna and lentigo maligna melanoma”

##### **S. Puig**

“RCM of in situ melanoma”

##### **C. Longo**

"Melanoma types"

#### **18.50 - 19.30 h SHORT COMMUNICATIONS SECTION (6 minutes each)**

##### **18.50-18:56**

##### **M.M. Batta, S.E. Kessler, P.F. White**

“Confocal Imaging & Remote Diagnosis Utilizing a Transfer Network: Experiences in the Introduction of Two New Technologies to a Dermatology Practice”

##### **18.56-19:02**

##### **C. Fan, M.A. Luedtke, S. M. Prouty, M. Burrows, N. Kollias, G.C. Cotsarelis.**

“The Characterization and Quantification of Wound-induced Hair Follicle Neogenesis using in vivo Laser Scanning Confocal Microscopy”

##### **19:02-19:08**

##### **M. Chu and N. Kollias**

“*In Vivo* Assessment of Micro-Injuries Using Laser Scanning Confocal Microscopy”

##### **19:08-19:14**

##### **K. Tsilika, J.L.Levy, H.Y. Kang, A. Khemis, T. Passeron, J.P. Lacour, J.P. Ortonne, P. Bahadoran**

“Interest of RCM for follow-up of melasma treated with depigmenting agents: a study of 10 cases”

##### **19:14-19:20**

##### **R. Hofmann-Wellenhof, E. Arzberger, V. Ahlgrim-Siess**

"Three lesions on the shoulder"

#### **19:20-19:30 Q&A and Concluding Remarks**
